Who?

Northwest Dharma Association and Planet Dharma are offering an opportunity to members of Northwest Dharma Association whose teachers have published Dharma books.

What?

This is an opportunity to more widely share your and precious Dharma teachings, as well as giving new people an opportunity to connect with your organization and mailing list.

Participants offer either part or all of their book as a free download on BookFunnel.com.

BookFunnel creates a month-long promotional campaign with all the complimentary downloads.

We each share the BookFunnel campaign with our individual sanghas and mailing lists, which gives them the opportunity to view and download all the contributors books.

When?

The campaign will run from July 1-31, 2021.

Authors have until June 30th to upload their books to BookFunnel.
